

Educational Qualification:

PhD (Financial Analysis and Policy)	Universiti Utara Malaysia, MY	2021
MBA/M. Phil (Finance)	IQRA University, PK	2013
Bachelor of Commerce	University of Karachi, PK	2008

Academic Achievements

- Top 2% Global Scientists List 2021 (Published by Elsevier BV & Stanford University)
- Best Researcher Award 2021, UUM (Deans Award for Academic Excellence)
- Best Researcher Award 2020, UUM (Deans Award for Academic Excellence)
- Best Researcher Award 2019, UUM (Deans Award for Academic Excellence)
- Malaysian Research Start Award Grant (FRGS-MRSA) Funding Amount 200,000 MYR
- Malaysian Fundamental Research Grant Scheme Funding Amount 80,000 MYR

Working Experience:

May 2022 - Present: Sunway University Business School, Sunway University, Malaysia
Working as Associate Professor

Responsibilities:

- Deliver online and onsite teaching in the fields of finance, economics and research.
- Different workshops for faculty and student academic growth.
- Conduct different seminars and symposium at University level.
- Teach faculty and students how to write research paper and how to publish it in international recognized journals.
- Supervise students in research thesis and writing research paper.

Jan 2019 - Present: M&S Research Hub (Global Research & Training Hub), Germany
Working as Academic Council Member

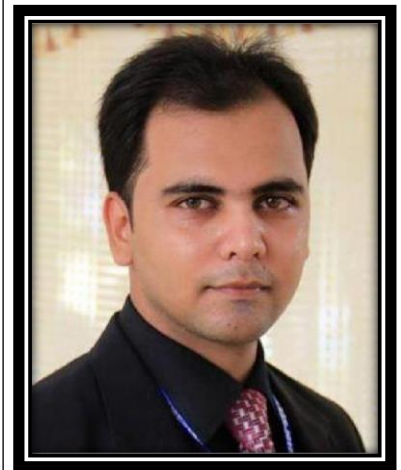

Responsibilities:

- Deliver online and onsite training in his fields of expertise as an economist and econometrician.
- Organize workshops, webinars or undertake other research-related exercises related to the research and training plans of the institute.
- Contribute to the MSR Hub scientific blog.
- Promote MSR workshops, conferences, publications, and other activities in his network.

Jan 2020 - Jan 2022: Eman Institute of Management & Sciences, Karachi, Pakistan
Worked as Assistant Professor

Responsibilities:

- Deliver online and onsite teaching in the fields of finance, economics and research.
- Different workshops for faculty and student academic growth.
- Conduct different seminars and symposium at University level.
- Teach teacher and students how to write research paper and how to publish it in international recognized journals.

Updated: August 2022

- Oct 2019 - Oct 2021: Universiti Utara Malaysia, Sintok, Malaysia
Worked as a Graduate Research Assistant
Responsibilities:
- Provide support to create the idea for research.
 - Help to write the few chapters of the paper or full paper.
 - Provide support to Team Leader for data estimation and interpretations.
 - To facilitate the Team Leader for making presentation for the conferences and seminars.
- June 2020 - July 2021: ILMA University, Karachi, Pakistan.
Worked as a Honorary Research Associate
Responsibilities:
- Publish Papers in international journals recognized by Higher Education Commission, Pakistan.
 - Attend Symposium and Conferences held in inside the University.
 - Guide or Evaluate student research performance online or onsite.
- July 2017 - Jan 2018: DADABHOY Institute of Higher Education, Karachi, Pakistan.
Worked as Visiting Faculty
Responsibilities:
- Deliver onsite teaching in the fields of finance, economics and research.
 - Conduct different guest speaker session at University level.
- Jan 2014 - June 2017: Iqra University, Karachi, Pakistan.
Worked as Adjunct Faculty
Responsibilities:
- Deliver onsite teaching in the fields of finance, economics and research.
 - Provide different workshops for faculty and student academic growth.
 - Conduct different guest speaker session at University level.
 - Teach students how to write research paper and how to publish it in international recognized journals.
- Jan 2017 - July 2017: Iqra University, Karachi, Pakistan.
Worked as Manager Research & Publications
Responsibilities:
- Supervise students in thesis and research project at under graduate and post graduate level.
 - Provide support in data analysis and estimation to the faculty members and students.
 - Write and Publish research paper in international journals.
 - Provide support to the Journals operated in the university.
 - Deliver different workshops for faculty and student academic growth.
 - Conduct Research symposium, conferences and seminar at national and international level.
- Jan 2016 - Dec 2016: Iqra University, Karachi, Pakistan
Worked as Assistant Manager Research & Publications
Responsibilities:
- Supervise students in thesis and research project at under graduate and post graduate level.
 - Provide support in data analysis and estimation to the faculty members and students.
 - Write and Publish research paper in international journals.

- Provide support to the Journals operated in the university.
- Deliver different workshops for faculty and student academic growth.
- Conduct Research symposium, conferences & seminar at national & international level.

July 2013 - Dec 2015: Iqra University, Karachi, Pakistan

Worked as Research Associate

Responsibilities:

- Supervise students in thesis and research project at under graduate and post graduate level.
- Provide support in data analysis and estimation to the faculty members and students.
- Write and Publish research paper in international journals.
- Provide support to the Journals operated in the university.
- Deliver different workshops for faculty and student academic growth.
- Conduct Research symposium, conferences & seminar at national & international level.

Working Experience as an Editor / Associate / Guest Editor:

Jan 2022 - Present Environmental Science and Pollution Research (Springer)

Working as Editor

The Journal is indexed in SCIE (Q2), SCOPUS (Q1), and Impact Factor 4.223.

Responsibilities:

- Handling the paper by reviewing to final decision.
- Find reviewers and take final decisions about each manuscript submitted to the journal.
- To promote the journal directly or indirectly to the research community.
- Handle the special issues in the journal of any particular specific topic.
- Provide expert opinion on every articles submitted to the journals.
- Ensure the fast, transparent and efficient process of paper handling.
- Give decision of acceptance, revision or resubmission to every paper submitted to the journal.
- Increase the number of citations of the journal by publishing own research.
- Invite co-authors and colleagues to submit their high level of research work to the journal.

Feb 2022 - Present Energy Policy (Elsevier)

Working as International Advisory Board

The Journal is indexed in SSCI / SCIE (Q1), SCOPUS (Q1), and Impact Factor 6.123.

Responsibilities:

- To promote the journal directly or indirectly to the research community.
- Handle the special issues in the journal of any particular specific topic.
- Provide expert opinion on every articles submitted to the journals.
- Increase the number of citations of the journal by publishing own research.
- Invite co-authors and colleagues to submit their high level of research work to the journal.

June 2021 – Present Sustainability (MDPI)

Working as Guest Editor

The journal is indexed in SSCI (Q2), SCOPUS (Q2), Impact Factor 3.251,

Special Issue on Low Carbon Economy, Green Innovation, Renewable Energy and Sustainable Development.

Responsibilities:

- Handling the paper by reviewing to final decision.
- Find reviewers and take final decisions about each manuscript submitted to the journal.
- To promote the journal directly or indirectly to the research community.
- Handle the special issues in the journal of any particular specific topic.
- Provide expert opinion on every articles submitted to the journals.
- Ensure the fast, transparent and efficient process of paper handling.
- Give decision of acceptance, revision or resubmission to every paper submitted to the journal.
- Increase the number of citations of the journal by publishing own research.
- Invite co-authors and colleagues to submit their high level of research work to the journal.

Sep 2021 - Present

Economic Research-Ekonomska Istraživanja (Taylor & Francis)

Working as Guest Editor

The journal is indexed in SSCI (Q2), SCOPUS (Q2), Impact Factor 3.121, Special Issue on Corporate Social Responsibilities, Green Investment, and Sustainable Business Performance.

Responsibilities:

- Handling the paper by reviewing to final decision.
- Find reviewers and take final decisions about each manuscript submitted to the journal.
- To promote the journal directly or indirectly to the research community.
- Handle the special issues in the journal of any particular specific topic.
- Provide expert opinion on every articles submitted to the journals.
- Ensure the fast, transparent and efficient process of paper handling.
- Give decision of acceptance, revision or resubmission to every paper submitted to the journal.
- Increase the number of citations of the journal by publishing own research.
- Invite co-authors and colleagues to submit their high level of research work to the journal.

Sep 2021 - Present

Frontiers in Psychology (Frontiers)

Working as Associate Editor

The journal is indexed in SSCI (Q2), SCOPUS (Q2), Impact Factor 2.990,

Responsibilities:

- Handling the paper by reviewing to final decision.
- Find reviewers and take final decisions about each manuscript submitted to the journal.
- To promote the journal directly or indirectly to the research community.
- Ensure the fast, transparent and efficient process of paper handling.
- Give decision of acceptance, revision or resubmission to every paper submitted to the journal.

Sep 2021 - Jan 2022

Sage Open (Sage)

Working as Associate Editor

The journal is indexed in SSCI (Q2), SCOPUS (Q2), Impact Factor 1.356,

Responsibilities:

- Handling the paper by reviewing to final decision.
- Find reviewers and take final decisions about each manuscript submitted to the journal.
- To promote the journal directly or indirectly to the research community.
- Ensure the fast, transparent and efficient process of paper handling.
- Give decision of acceptance, revision or resubmission to every paper submitted to the journal.

Member of Reviewer Board of Selected Journals

- Journal of Cleaner Production (9.241 Impact Factor)
- Renewable Energy (8.002 Impact Factor)
- Energy Policy (7.041 Impact Factor)
- Energy Economics (5.325 Impact Factor)
- Science of Total Environment (8.023 Impact Factor)
- Telematics and Informatics (7.162 Impact Factor)
- Current Issues in Tourism (7.135 Impact Factor)
- Environmental Science and Pollution Research (4.056 Impact Factor)
- Interactive Learning Environment (1.873 Impact Factor)

Workshops

- Conducted a workshop on “Advance Econometrics in the field of Research” at University Teknologi Mara, UiTM, Malaysia [June 2020]. Online Four Hours Webinar Session
- Conducted a workshop on “How to Publish a Paper in High Rank Journals” at OYAGSB, Universiti Utara Malaysia. [June 2019].
- Conducted a workshop on “Partial Least Square Structural Equation modelling using R-Programming” at OYAGSB, Universiti Utara Malaysia. [February 2019].
- Conducted a workshop on “Wavelet Based Transform methodology using R-Programming” at Webinar hosted by M&S Research Hub Corporation, Germany. [January 2019].
- Conducted a Workshop on “Writing Research Thesis” at IQRA University, Pakistan. [2017]
- Conducted a Workshop on “Primary Data with Cross-sectional Data Estimations and Techniques” (EFA, CFA, SEM & Path Analysis Using SPSS and AMOS). [2016]
- Conducted a Workshop on “Secondary Data with Time Series Estimations & Techniques” (E-Views, MATLAB and R-Programming Language) [2016]
- Conducted a Workshop on “LATEX (Advance Software for Formatting Research Paper)”. [2015]
