The Council of Provincial Education of Neuquén (R# 1283/16) and the Council of Provincial Education of Rio Negro R# 3568/16) declared of Educational Interest the 1st Patagonia Congress of Physical Activity and Health

The Honorable Senate of Argentina in conjunction with the San Luis University, the Argentinean Association of Kinesiology and the Professional Council of Kinesiology from the Department of Public Health declared of national interest his seminar on Evaluation of Treatment of the Spine, 2008.

The Honorable House of Representative of the Province of San Luis, Argentina declared of Public interest his seminar on Evaluation and Treatment of the Spine, 2008.

Professional Interests

I wish to work to grow professionally and lead growth of my teammates to make a difference in society and to recuperate my patients with restitution at integrum

as the goal, so that they can live and work injury-free and be happy and productive members of society. At this point of my life and career I wish to work on something larger than myself, a project that shall outlive me and that will create a higher standard than the one I might have practiced at.

Professional Memberships

Member of the Argentine Spine Society

Personal Interest

Bronze medal winner at the World Masters Track and Field Championship, 2011. Competitor in the 2007 Masters World Track and Field Championship. San Marino Open Championship silver medalist, 2007. Sub-Champion in the 2006 South American Masters (26th world ranked that year). Midwest Masters 2004 javelin throw Champion, U.S.A.

I also like skiing, scuba diving and polo. I have volunteered with the Valparaiso University Track and Field Team and the Tennis Team as well as collaborated with Tom Putskys's athletes (USA Javelin Throw Coach).
