

PAKISTAN JOURNAL OF REHABILITATION

AUTHOR CONTRIBUTION FORM

MANUSCRIPT NO. :

TITLE OF THE MANUSCRIPT :

CORRESPONDING AUTHOR :

1. To qualify as an author, an individual is required to have made substantial contributions to the study, meeting a minimum of three criteria as outlined in the following table.
2. It is obligatory for all authors to either develop the manuscript's framework or provide intellectual input and critical assessment of the manuscript's content.
3. The responsibility for approving the final version of the article prior to publication rests with all authors.
4. Every author is expected to meet the requirements stipulated in the aforementioned first three points.
5. Individuals who do not meet the specified criteria for contributions and conditions will be acknowledged in the final "Acknowledgements" section of the article.
6. The provisions outlined in this document adhere to the guidelines set forth by the Council of Science Editors (CSE) and the International Committee of Medical Journal Editors (ICMJE). For more detailed information, please refer to: <http://www.councilscienceeditors.org/i4a/pages/index.cfm?pageid=3376> www.icmje.org/ethical_1author.html
