C. Declarations

ORIGINALITY: The manuscript is original, has not been published previously (except as an abstract or declared preprint), and is not under consideration elsewhere. Any previously published material must be disclosed in the manuscript.

AUTHORSHIP: All listed authors must meet journal authorship criteria, shall have agreed to the author order, and must have approved the submitted version.

CHANGES TO AUTHORSHIP: Post-submission authorship changes shall require written consent from all authors and editor approval. Authorship changes shall not be permitted after acceptance and publication. Any changes before acceptance must include formal request with documentation of consent from all original and new authors.

COPYRIGHT TRANSFER: Upon acceptance, copyright shall transfer to Pakistan Journal of Rehabilitation.

PUBLICATION LICENSE: Articles shall be published under Creative Commons Attribution 4.0 International License (CC BY 4.0). Pakistan Journal of Rehabilitation shall retain exclusive rights to publish, reproduce, distribute, and archive in all formats.

AUTHOR RIGHTS: Authors may use accepted manuscripts for educational and non-commercial purposes with proper citation to Pakistan Journal of Rehabilitation.

REUSE PERMISSION: Commercial reuse must have prior written consent from Pakistan Journal of Rehabilitation per CC BY 4.0 terms.

PUBLICATION ETHICS: The manuscript must contain no fabrication or plagiarism. All sources must be properly cited and permissions must be obtained for third-party material.

CONFLICTS OF INTEREST: All competing interests must be disclosed in the manuscript.

FUNDING: All funding sources and funder roles in study design, data collection, analysis, interpretation, writing, or publication decisions must be disclosed. The corresponding author shall complete the funding disclosure form.

ETHICS APPROVAL: Research involving humans/animals must comply with ethical standards and must have received ethics committee approval with details provided.

INFORMED CONSENT: Informed consent must be obtained from all human participants.

DATA AVAILABILITY: Data Availability Statement must be included.

GUARANTOR: A named author shall act as guarantor for work integrity and accuracy.

PERMISSIONS: Permission must be obtained for copyrighted material not owned by authors.

Affirmation

By signing below, I confirm I have read and understood the journal's author guidelines, publication ethics and licensing and copyright policy, and that the statements above are true and correct.
